# Digiscribe ♡ New York

We are proud to be partnering with New York State Industries for the Disabled (NYSID) and its member agency Arc Westchester to provide document imaging and data entry services to state and local governments under New York State's Preferred Source Program. Digiscribe is also proud to provide meaningful employment opportunities to individuals with disabilities in our community.

# How do Digiscribe, NYSID, and Arc of Westchester work together?

Beginning in 2017, Arc Westchester chose Digiscribe as its exclusive subcontractor for scanning and scanning related services.

Digiscribe was approved in May 2017 by the New York State Department of Education-ACCESS VR to be a NYSID Corporate Partner. Through this collaboration, Digiscribe's document imaging and data entry services can be provided to your government agency in partnership with Arc Westchester under New York State's Preferred Source Program.
